## Food Drive and Raffle for Food Pantry Saturday

As part of its Annual Pancake Breakfast at the Augusta School Cafeteria on Saturday morning, March 3, the Augusta Rotary Club will host a Food Drive and a Split-the-Pot raffle on behalf of the Augusta Ministerial Association's Food Pantry.

The Augusta Food Pantry is an initiative of the Augusta Ministerial Association, which provides emergency relief for local residents. The Food Pantry is open for those in need on Tuesdays from 1 p.m. to 2:30 p.m. at the Augusta Presbyterian Church.

Food Pantry Manager Les Grooms, pastor of the Augusta Presbyterian Church, said that the Food Bank has been in operation for several years. "We've been serving about 40 households every week, mostly local residents but we won't turn anyone away who needs food."

Food items to build nutritious meals are requested to be donated, including cans of soup, tuna, spam, pork & beans, fruits and vegetables. Pasta, dried beans, and macaroni and cheese are needed also.

Donated food items may be dropped off at the Rotary Trailer, which will be parked in front of the school cafeteria entrance.

Monetary donations to the Food Pantry may be given inside at the ticket desk, where Split-the-Pot raffle tickets also will be available. Proceeds from the Split-the-Pot raffle are used by the Food Pantry to purchase select items at great dis-

count at the Wilder Free Store.

Pastor Grooms emphasized that the Food Pantry is an all-volunteer effort. "Even travel expenses to the Wilder Free Store are contributed generously by volunteers", he explained.

The Pancake Breakfast is always a popular event every year and for \$5 everyone can get a hearty breakfast of pancakes, bacon, sausage, eggs, juice and coffee. The Augusta Rotary Club encourages everyone to remember those in need in our community by dropping off some canned goods at the Rotary Trailer to support the efforts of the Augusta Ministerial Association's Food Pantry.

The Augusta Rotary Club is a non-profit organization that brings together business and civic leaders to develop service projects that benefit the community.

## River crests lower, flooding less than predicted

Shown above is Riverside Drive in Augusta near the intersection of Elizabeth Street.

When the river crested early last week, residents along the Ohio River waited in anticipation of the next round of rain that was predicted for the end of the week. Each day brought an ebb and flow of water from the river and storm drains, prompting residents to begin the arduous task of packing up their homes and businesses and moving the packed items to higher ground, whether it be a second floor room, on top of counters, or out to complete different locations. Each day came the new prediction for the crest level and where it would intrude into next.

On Friday, February 23rd, the City of Augusta declared a state of emergency and put into action their prepared plan of action. Included in that plan was the closing of every entrance into the city off Route 8 except for Minerva Drive by Clopay and Main Street. By doing this on Sunday, February 25th after church services, it allowed residents the ability to move items out without having to deal with extra traffic.

Most businesses and residents affected by the water were able to move items out Friday and Saturday, and volunteers spent Sunday sandbagging business doors and other areas hoping to minimize water damage.

Thankfully the Ohio River did not rise to the anticipated level and crested at 55.73 feet, well below the predicted 58-62 feet in Augusta.

Residents, business owners, and volunteers will continue to watch as the Ohio River subsides and begin the task of cleaning up and moving everything back so life along the beautiful Ohio River can get back to normal.

If a peahen calls, a donkey brays, pigs carry straw, geese flap their wings, a pot boils dry or the clouds move northward it will rain.

If a silver coin or fresh-laid egg is paced in the hand of a new-born babe. Long life and prosperity will be assured to it.

If the sun goes down behind a bank of clouds on Friday it will rain on Sunday.

While peacock feathers are kept in the house sickness will never be out of it.

If a person's two front teeth are wide enough apart to place a gold coin between them he will always be rich.

If one mends a garment while wearing it ev-

If a pen drops and sticks in the floor the owner's lover lives in the direction toward which it inclines.

A ring around the moon indicates bad weather, which will last as many days as there are stars enclosed in the circle.

If a hairpin sticks out but does not fall the wearer will have disappointment; if it falls her lover is thinking of her.

If a spider is found in one of your garments, it signifies that you will soon have a new one of the same sort.

Be sure that for every fog you get in March you will have a frost on May.

If the thread knots while sewing the sewer will live to see the garment worn out.

**Thoughts and Meditations  
from the Scriptures****POSSESSED BY GOD**

We tend to think of possession in a negative light, for example, saying that someone is possessed by a demon or thinking that someone is possessed by a spirit of greed or envy. But possession can be a positive thing. We can be possessed by God or by a divine spirit, such as love or compassion, to such an extent that these become something constant in our lives. Possession is more than just obsession. When one offers up all of one's daily thoughts and activities to God, one is on the way to being possessed by God. When one stays in constant communication with God, praying becomes second nature, and the Biblical advice to "pray without ceasing" becomes a description of our inner life rather than a prescription for how we ought to live. Being possessed by God won't necessarily change the outward appearance of our lives; we will still have to get up every morning and go to work, but we will do it with a sense that all of these mundane activities are being offered to God, and are being done as a devotion to God. Every breath and every step we take becomes a prayer and an act of devotion, and we are then on the way to living in the constant presence of God.

**A Tribute to****Rev. Billy Graham**

U.S. Senate Majority Leader Mitch McConnell (R-KY) released the following statement regarding the passing of Rev. Billy Graham on Wednesday, February 21, 2018:

"It is with great sadness that Elaine and I note the passing of the Rev. Billy Graham, a man whose God-given gifts and love for souls endeared him to millions and earned for him the title 'America's Pastor.' The son of a dairy farmer, Billy Graham became one of the world's most trusted men by preaching God's mercy to the rich and poor alike. His hundreds of crusades spanned more than five decades and spurred countless conversions in America and around the world.

"His kindly manner and unpretentious nature made him a trusted confidant to twelve U.S. presidents, reassuring generations of Americans that their leaders could count on this humble man of God for counsel and support. By standing right in the middle, Billy Graham could reach everyone.

"Over the years, he found solace in the mountain home he shared with his beloved wife Ruth. It was in that very home where he set out on his final journey, at the age of 99. We're left with a fitting reminder that, just like the wise man of the Gospel, he built his house on the rock. Millions of Americans are grateful that he did—and are confident that Billy Graham is now alongside his beloved wife Ruth, enjoying their beautiful reward."

### GREETINGS FROM ST. JAMES

by Caroline Jefferson

When you live in Bracken County you can be certain that someone in your family somewhere, sometime will be affected by an illness or condition that has the possible outcome of cancer. Recently we learned that Todd Jefferson, son of Tony and Carrie Jefferson has been diagnosed with a brain tumor. We are asking everyone to pray for Todd that when his surgery is completed on March 13, and the biopsy taken that he will be in the 25% of patients whose tumor is not cancer! While we pray for a “no cancer” report for Todd, we also pray for those who have recently received such a medical report and those who deal with this disease on a daily basis. We are fortunate to live in a time when advances are made daily in the treatments and cures! May God be with each and every one as we pray for His guidance, protection and for His will to be done in every situation!

To have a more meaningful Lent, please remember the Sacrament of Reconciliation on Thursdays from 6 until 7 PM at St. James followed by the prayers of the Stations of the Cross.

### PRESBYTERIAN POTPOURRI

by Les Grooms, pastor Augusta Presbyterian

We had the second Lenten service at the Presbyterian Church last Wednesday. We had many who came for worship and they stayed for a fine meal prepared by the Presbyterian women. The Lenten services will continue at the United Methodist Church this Wednesday.

We continued with our Lenten study in our Sunday School class.

Millie Bush was the liturgist, Susie Hargett led the singing, and Shirley Gallenstein sang a special song.

My sermon was about Jesus’ continuing journey to Jerusalem.

We will have our soup supper on Monday night, our food bank on Tuesday, and our Lenten service on Wednesday.

At the time that I am writing this (Monday morning) plans are being made to provide meals for flood victims at our church for the remainder of the week. Three meals are being planned each day. God bless all of the volunteers that are planning to serve these free meals.

We have worship service each Sunday morning at 10:45. Come and worship with us.

## Senior Citizens Happenings

The Senior Citizens extend a hardy welcome for any senior to come and check out all our happenings. All are welcome and we cordially invite you to come and join our big happy family. We are located at 110 Grandview Drive, Brooksville. Sheila Collins is our director and our phone number is 606-735-2948. We have open seating on Tuesdays and Thursdays. Our Senior Building is open 8-4 p.m. Lunch is served at noon. There is plenty of seating, so we will be looking for you!

Happenings for Tues., Feb. 20 - we started by standing and saying the pledge to the flag and then we sang "My Country Tis of Thee". We were so glad to have 40 here today. Sure is great to see each other.

Sheila gave updates on the sick: Delores Perkins is recuperating from surgery. Pauline Jefferson is doing rehab at Bracken Nursing and Rehab. Ruth Nickerson is on oxygen. Buff Saunders has been in the hospital and been having test. Kathy Williams is home and having lots of TLC given by her family. To all those that weren't here today, you were missed and prayers are sent your way.

Sheila also talked with us about having a colonoscopy screening done. Also talked about recall on dog food.

Our 2 lovely ladies from the Home Extension Office, Shannon Smith and Mary Lou Simons, were here today. They brought a word search on Valentine's Day and delicious cherry pie bites. Recipes were given out. Today was "National Cherry Pie Day". Shannon also did a trivia on Valentine's Day. They also had information on "Keys To Embracing Aging".

Social activity is good for a person to keep active. It improves our social skills; helps maintain a positive attitude; enhances self-esteem; keeps us connected to our peers and in the community; helps to reduce risk of illnesses; helps to reduce risk of depression; gives us better brain health; helps us to be happy and have a healthier lifestyle and helps to increase the quality and length of life. Stay as active as you can! We sure do learn a lot from these 2 informative ladies.

David Jefferson led us in prayer.

CASA of Bracken, Fleming, and Mason County held their Annual Casa Ball - "Dancing With CASA Stars" on Saturday, February 10th. The evening began with a Cocktail Hour at 6 p.m. and the start of the Silent Auction. After a brief welcome, dinner was served. The Dance Competition, Emceed by AIS Principal and CASA Board Member, Robin Kelsch, began at 9 p.m. Attendees had an enjoyable evening of dinner, dancing, and fellowship with friends. The annual event is the largest fundraiser for the CASA Program.

were: Edna Holleran, Shirley Young, Linda Johnson; Phyllis White, Barbara Woodruff, and cover all was Sherry Farris. We had 15 bingo players.

Happenings for Thurs., Feb. 22 - Donna Teegarden was here today and did blood pressure checks. She is with the Bracken Co. Health Dept.

Sheila talked to us about the flood and some road closures. We also talked about being careful this summer about mosquitoes and West Nile Virus. We continue with updates on the sick. We said The Lord's Prayer before our meal. Our bingo winners: Barbara Woodruff, Sher-yl Cruse, Betty Hargett, Shirley Young, Shirley Bailey, and cover all was Shirley Young. There were 10 that played Bingo today.

May we give God thanks for giving us Bro. Billy Graham and his faithful service to God and man.

This week may we reflect on "Sweeter As The Years Go By". Growing older should mean a greater awareness of God's love and fellowship as well as a time of greater usefulness in Christian service. "The Golden Years" can and should be the most fruitful time of life. Because there are fewer demands and pressures for life's necessities, the older Christian should have opportunities for effective ministry that he never before attempted.

### HANNAH CUMMINS CHAPTER WMU

On Tuesday evening Feb. 20th the Hannah Cummins Chapter of the WMU met at Willow Baptist Church. We are so happy that our WMU group keeps gaining new members, as we welcomed our newest member Gina Gilbert along with Evelyn Cooper, Marilyn Moore, Karen Wright, Mae Jo Flaughter, Sheila Figgins, Vanessa Ferrell, Mareka Scott, Ella Bowling, Jara Bauer, and Christina Keeton.

Ella brought our program that focused on "7 One Another's" in the Bible that we as women can use to strengthen our faith and relationships. Did you know that the command to "Love One Another" was mentioned over 100 times in the New Testament? And as Ella reminded us that as mothers when we repeat something over and over it's usually because we want our children to remember it, so in the same way Christ wants us to remember to love each other. The most famous LOVE ONE ANOTHER is found in 1 Corinthians chapter 13. SERVING ONE ANOTHER is found in Matthew 25:34-36 and SHARING THE GOSPEL WITH ONE ANOTHER is located in Matthew 28:19-20. GETTING TO KNOW ONE ANOTHER is spelled out for us in 1 Thessalonians 2. When we need to HOLD ONE ANOTHER ACCOUNTABLE that's in Luke 17:3-4. If you want a reminder on how to ENCOURAGE ONE ANOTHER look in 1 Thessalonians 5:11 and finally if you need to FORGIVE ONE ANOTHER that's in Colossians 3:13.

Appreciation to Ella for this wonderful reminder of how we are supposed to act and treat ONE ANOTHER.

As always we are blessed with some wonderful cooks in our group and we enjoyed a delicious assortment of snacks and sweets. The business portion of the meeting was opened by Karen Wright, our WMU president. Since we have not had an official meeting since November there was an abundance of information given from our various committees and, as always numerous community missions took place over the past months. The Easter Egg Hunt will be Sat., Mar. 24th at 12 p.m. The fifth Sunday new member meal will be Apr. 29th. The VBS was discussed and the dates of June 10-13 have been chosen. Finally, all the ladies were very excited to plan another WMU Willow Baptist Church cookbook! Much discussion and planning is going into this and we are all very thankful for Sheila Figgins and all the work she is putting into making this one another success. The last cookbook was in celebration of Willow's 175 Anniversary and this cookbook is now celebrating Willow Baptist Church's 200 Anniversary. The date for the Anniversary celebration has been set for Sunday, July 29th.

With so much planning and going on at Willow, we are truly excited to see our church growing and becoming a blessing to our community. We would love for you to join our church family and our WMU family. Please feel free to come to our next meeting which will be Mar. 20th at 6:30 at the church. God Bless!

## Trash Talk

by: Mr. Recycle Bin & Ms. Pick-Up Litterbug

Howdy Folks! We pray that those of you who are along the Ohio River, the North Fork of the Licking River, and all the local creeks and streams will remain safe as the waters have crested and slowly make their way back down to normal flow! According to the TV meteorologist, the area has received nearly five inches above normal rainfall for February with the majority of it falling last week causing flood waters to nearly reach the March 1997 flood stage. May God bless, protect and sustain you as you and the many volunteers work to save lives and property! Even if you don't live near a body of water, the ground water can cause problems for homeowners and we've lived long enough to know that this too will pass, we just need patience, a good sense of humor and probably a good wet-dry vacuum wouldn't hurt!

Sometimes keeping a good sense of humor is quite difficult when one receives numerous calls from telemarketers, especially those that are known as 'robocalls'. This type of call is initiated by a recorded message when one answers the phone and the message instructs the recipient to press a certain number to talk with a live person. The website for the Federal Trade Commission (FTC) advises that you hang up and do not push any number. By pressing '1' or any other number it will probably just lead to more robocalls.

Telephone companies and services may be able to block these numbers, but there may be a fee associated with this service and you will most likely be wasting your money because the telemarketers change their Caller ID information frequently. The FTC has stopped billions of these calls in the last several years but tracing such calls is extremely difficult and the telemarketers that use robocalls

are illegal and are scams.

Legitimate robocalls allowed by the FTC are informational and come from schools, doctor's office, airlines, local emergency calls such as those received over the weekend sent out by Bracken County Dispatch, etc. We all have the good sense to distinguish those annoying illegal telemarketer calls! Ever increasing technology is good in the right hands, but it also allows the crooks into our homes while being thousands of miles away! You just need to hang up on these calls! Go to the website [www.consumer.ftc.gov](http://www.consumer.ftc.gov) for further information. While on that website you can also access the Direct Marketing Associations website at [www.DMA-choice.org](http://www.DMA-choice.org) and the \$2 processing fee that covers a period of ten years allows the consumer to choose what mail and email they prefer. Along the same train of thought, you can also go to the National Do Not Call Registry to register your landline and cell phone numbers at [www.donotcall.gov](http://www.donotcall.gov) and if you have previously registered your numbers, you can get a confirmation of those numbers on that website as well.

All this of course takes time that we're not sure consumers have to invest! It is up to individuals to determine if an hour spent on the computer is worth somewhat less mail, email and phone calls. Junk mail is still recyclable so if you are a dedicated recycler, the junk mail goes to the recycling trailer; however, if you don't recycle, maybe you should consider registering to receive less junk mail or better yet, begin a recycling program in your home or office! Praying for everyone's safety and well-being as waters recede and we all get back to the business of RECYCLING, REUSING and REDUCING to keep God's earth clean, green and beautiful! Be seen' you – *Bin & Bug*.

We are planning a night of Dr. Seuss literacy activities that will be fun for all ages. Stations with games and activities centered on reading concepts and Dr. Seuss's books, as well as crafts, iPads, Bingo, book walk, and a photo booth will be available to families. There will be photo opportunities with the Cat in the Hat and Thing 1 and Thing 2. Who knows? There may be other Dr. Seuss characters to show up, as well. ## More On Car Seat Safety

Since their development in the late 1980's air bags have saved thousands of lives by protecting drivers and passengers during frontal crashes. Although air bags have saved many lives, they are dangerous to children. The rear seat is the safest place for children younger than 13.

Car seats have an expiration date on them, weight, height recommendations, along with safe installation instructions. If the car seat is in an accident it must be replaced. For older children in booster seats the shoulder strap must come across the child's shoulder not their neck. When a child or adult is riding in the seat the shoulder strap must come across the shoulder not the neck.

If the child wants to put the shoulder strap behind them, that is one of our cues that they are not big enough to ride without a booster seat. Shoulder straps keep us safe if they are used properly. In many vehicles the shoulder straps can be adjusted, to help with proper fit. Safety belts and car seats saves many lives but must be used properly.

Bracken County Health Department has personnel available to ensure that your car seat is installed properly. If you have multiple car seats, feel free to come by the BCHD to ensure they are in the properly installed.

To learn more about car seat safety, contact the health department at 735-2157. Information provided by the "HANDS" program. Working to help and support first time parents.

## Black Vulture Control

By David Appelman, CEA for Ag & Nat. Res.

The use of an Effigy or the image of a dead black vulture hung from a tree will help to keep Black Vultures away from your farm. As you know, these birds often attack newborn calves and kill them.

The big problem is that they are on the Migratory Bird List and it is illegal to shoot them. Even with a permit from KY Farm Bureau to take up to 3 birds, you cannot be with the herd 24 / 7, so utilizing other methods to keep them away from your farm is highly recommended.

I have plans on how to build your own Effigy here at the office and I have one for you to view to see how it is constructed. For less than \$30 you can purchase the materials you need and you can build one yourself.

The key to good control is to get the Effigy up in a visible tree on your farm before calving season. Call the office at 606-735-2141 to get a copy of the plans, and stop by to see the demo model.
